The Honorable John Boozman
Ranking Member
Subcommittee on Military Construction,
Veterans Affairs, and Related Agencies
Committee on Appropriations
United States Senate
Washington, D.C. 20510

Dear Chair Sinema and Ranking Member Boozman.

As your Committee begins to prepare the fiscal year 2025 Military Construction, Veterans Affairs, and Related Agencies appropriations bill, I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the fiscal year 2024 Military Construction, Veterans Affairs, and Related Agencies appropriations bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

If your staff have any questions regarding the submissions, please contact my Military Legislative Assistant, Abigail Zarzar, at Abigail.Zarzar@budd.senate.gov (8-5972).

Sincerely,

Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Marine Corps Air Station Cherry Point	To upgrade, renovate, and modernize utilities at MCAS Cherry Point. If this project is not funded, MCAS Cherry Point will not be able to provide a reliable utilities infrastructure required to support the planned basing of F-35 squadrons resulting in unwarranted operational risk.	Cherry Point NC	\$150,000
Fort Liberty North Carolina	To construct operations facilities to house units in support of 1st Special Warfare Training Group (Airborne) at Camp Mackall, NC.	Fort Liberty NC	\$30,000
U.S. Marine Corps Forces Special Operations Command	To construct Information Maneuver Facilities for Marine Forces Special Operations Command (MARSOC). Current facilities are inadequate to meet emerging requirements and future MARSOC space capabilities.	Marine Corps Base Camp Lejeune, NC	\$57,000
North Carolina National Guard	To finalize planning and design of a 107,600 SQFT Aircraft Maintenance Hangar and supporting facilities that provide consolidated multipurpose space for the maintenance, repair, and major overhaul of military aircraft assigned to the Army National Guard.	Salisbury NC	\$6,300
Seymour Johnson Air Force Base	To construct a new range to include 35 lanes to meet existing requirements and decrease unit and personnel need to travel for training. The existing 14 point range is nearly 50 years old, the smallest across Air Combat Command, and requires a high level of maintenance and repair.	Seymour Johnson Air Force Base, Goldsboro NC	\$41,000
